Alumni Meet Report 2020 - Narayana College of Nursing (Online)

The 2020 Alumni Meet of Narayana College of Nursing was held online on 20th October, drawing over 42 alumni, along with their families, faculty, and students. This virtual event celebrated the strong connection between the college and its former students, and welcomed newly graduated alumni to the association.

The meet began with a prayer song and a warm welcome address by Ms. Ushakiran, setting a positive tone. The ceremonial lighting of the lamp was symbolically conducted online, followed by an address by Dr. A. Indira, Principal and Chairperson of the organizing committee, who expressed appreciation for alumni contributions and highlighted recent college achievements in infrastructure and academics. She emphasized the college's commitment to excellence and innovation in nursing education.

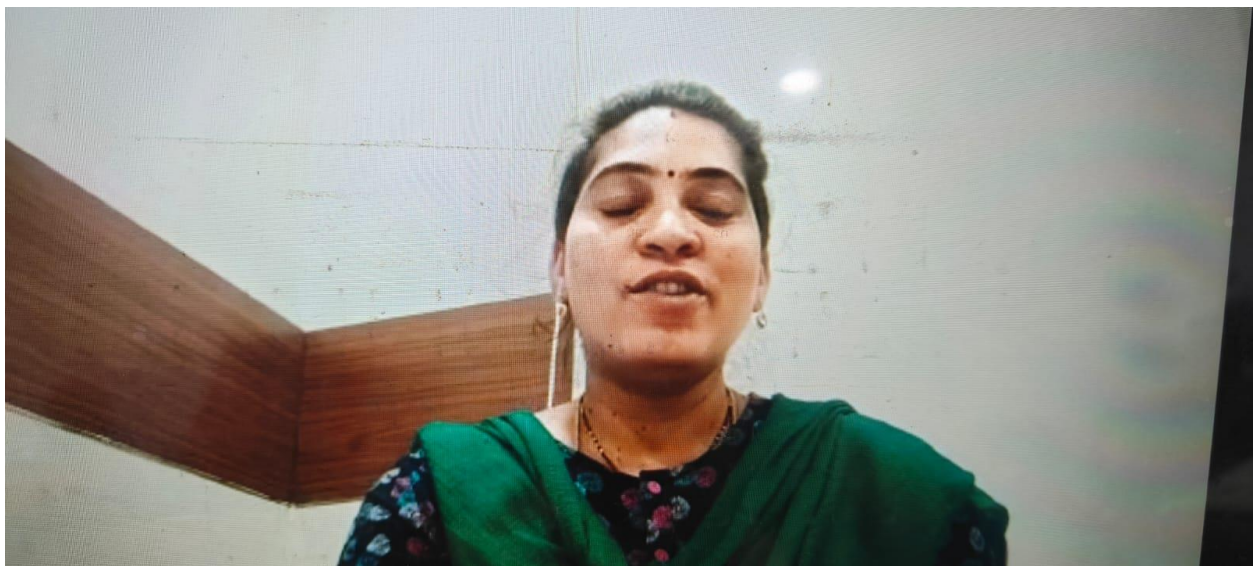

Faculty and department heads commended the alumni's achievements in healthcare and discussed the expanding career paths in nursing, offering valuable insights to current students. Ms. K. Madhavalatha, President of the Alumni Association, presented a brief report on the past year's activities, emphasizing collaborative projects and ongoing alumni support for the college.

A virtual cultural program performed by students added a festive touch to the meet. Alumni enjoyed the event, reconnecting with friends and faculty, and reminiscing about their college years. Current students actively engaged in Q&A sessions with alumni, gaining advice and insights into the evolving nursing profession. During the ongoing COVID-19 pandemic, it is crucial that everyone remains vigilant and adheres to health and safety protocols. Despite the demands of work and personal responsibilities, it is essential to prioritize health by wearing masks, maintaining physical distancing, and practicing frequent hand hygiene. Vaccination is strongly encouraged to protect oneself and others, especially in busy environments where exposure risks are higher. Employees and students are advised to stay updated with institutional and government guidelines, report any symptoms immediately, and work together to create a safe environment for all. Let us each do our part to ensure the well-being of our community.

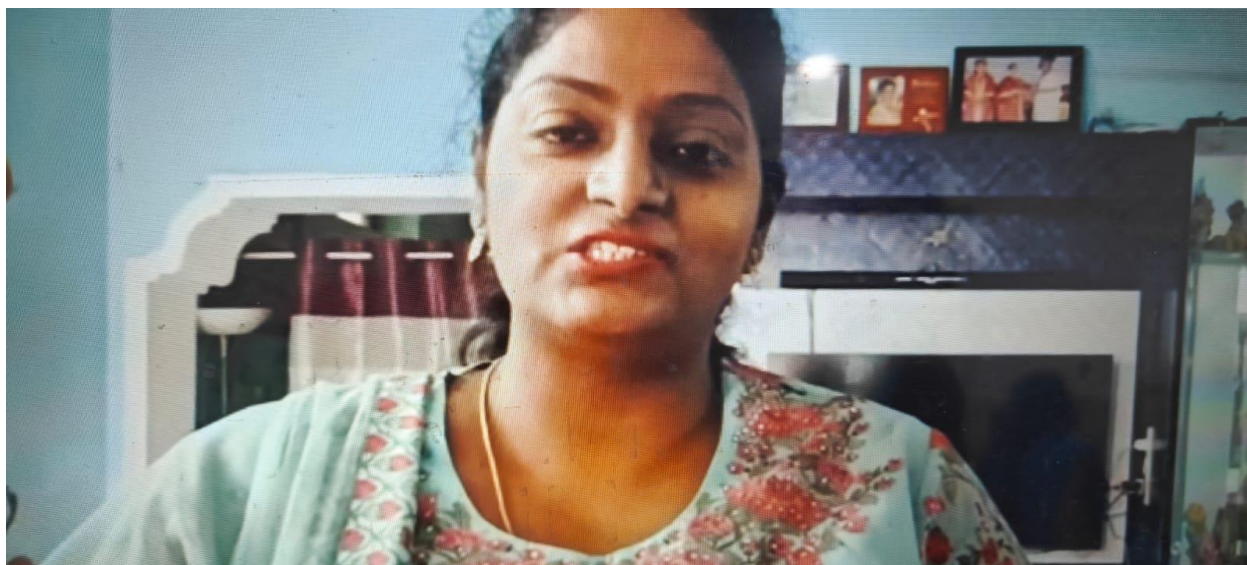

The event concluded with a Vote of Thanks by Mrs. Ushakiran, expressing gratitude to all participants. The 2020 Online Alumni Meet was a memorable and inspiring gathering, fostering unity and a shared vision for the future of nursing.
