PARENT TEACHER MEETING

Online Parent Teacher Meeting

Date: 20/02/2021, Time: 09:30 AM onwards, Place: Narayana College of Nursing

Total number of parents who attended meeting: 132

Objective of the event:

Narayana College of nursing, PTM committee organized Online Parents Teachers Meeting for B.Sc.(N) I year & II Year students on 20/02/2021 The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience. The parents were intimated about the meeting well in advance through Coordinators.

Activities during the event:

To make parents feel a 'sense of ownership' and address them equally as partners in the betterment of their child's learning outcomes, Narayana College of Nursing conducts regular Parent Teacher Meetings to discuss about the student's performance and progress.

Whilst this happens on an offline basis, with the current pandemic we took this to a digital platform like Zoom platform. Parents and students engaged virtually where the children took this opportunity to teach their parents how to open Google meet

link, how to mute & un mute etc. making them adapt to the “new normal” as their children did themselves.

- During 09:30 am to 10:30 am, HODs introduced parents with the Vision and Mission of the institute and the departments along with anti-ragging rules, attendance criteria, and focus on quality education, library facilities and general criteria of the institute. They also highlighted the Institute’s best practice for effective teaching learning process and how it helps placement and higher studies.
- During 10:30 am to 2:00 pm, parents interacted to faculty; the professors provided specific guidelines and suggestions for each student during the meeting with the parents.
- The guidelines were primarily focused on students’ performance in classroom and exams. The parents were informed about the students’ performance during the weekly Exam and preparation for upcoming examination.

Discussion was focused on student’s specific strengths and weaknesses in individual subjects and student discipline in online classrooms.

- Parents’ suggestions on the interests and learning of their students were noted. Outcomes of the event: Total 94 parents participated in the PTM.
- Parents became aware of the institute’s rules and regulations, methodologies of teaching & learning for the overall welfare of students.
- Parents were encouraged to appreciate student’s participation in all academic activities.
- Parents appreciated the efforts and the individual attention given to every child despite it being via an online platform.

- Though there are certain difficulties in online sessions, despite this, many parents feel that online classes are a great initiative to gain visibility on their performance and also avoid a huge learning gap once they return to the institute.

Feedback from Parents:

Name of the parent

Thank you so much for organizing a parent's teacher meeting online as per the current pandemic situation. Parents teacher meeting we came to know about our child's progress and also know about the weak area in which the child needs to improve. Through the attendance report, we also came to know about the regularity of our ward in lectures.

Name of the Parent:

Every day my daughter looks forward for online classes. She enjoyed learn new things each and every day. She participated in a variety of activities and events virtually. The way faculty member has helped our daughter in developing her individuality, while at the same time emphasizing on self-discipline and respect towards others, has truly been a best experience.

Feedback from Faculties:

Parents Teacher Meeting is an essential aspect in the modern day teaching methodology. Parents are important stakeholders of education policy. PTM held by the Narayana College of Nursing will enhance the quality of overall growth of
