In continuation to the previous circular issued by this office in the reference-1, it is mandatory to complete BCLS course by all the final year Nursing Students in the State of Andhra Pradesh and must have the BCLS completion certificate before completion of their respective Nursing Courses.

The BCLS certification is important for student nurses because it provides the necessary knowledge and skills to respond effectively in emergency situations, promotes professional development, emphasizes the importance of collaboration and ensures compliance with healthcare facility requirements.

Indian Resuscitation Council Federation (IRCF) have come forward to initiate and implementation of training of Nursing students in the Skills of Basic Cardiopulmonary Life Support (BCLS) in the State of Andhra Pradesh.

Dr. Siddha SC Chakra Rao, Chairman, Indian Resuscitation Council Federation, Kakinada, Andhra Pradesh State have pleased about the circular as there is an immense need to impart BCLS skills to all Nursing Students, Nurses, Paramedics and employees in the healthcare settings.

The following details are about the IRCF & the terms between both the Councils:

- The Indian Resuscitation Council Federation, a registered non-profit organization, is recognized by the International Liason Committee of Resuscitation which regulates Resuscitation Trainings all over the world.
- IRCF is the Federation of Associations, like the Indian College of Cardiology, Indian Society of Anaesthesiologists, Association of Emergency Medicine Educators, Indian Society of Critical Care Medicine, Indian Academy of Paediatrics, Trained Nurses Association of India, Indian Medical Association, EMRI Green Health Services, and American Association of Physicians of India.
- The CRTCs are trained to give BCLS training for about 4-6 hours per session in the dedicated halls available in the Medical Colleges/Nursing Institutions. They take 40 students for a session with four instructors.

IRCF have approved 31 - Resource Centres throughout Andhra Pradesh State to give BCLS training to the final year Nursing students of this State. A total of 615 - Nursing Institutions (course-wise) under APNMC in the state of Andhra Pradesh are mapped to each Resource Centre including Government & Private Nursing Institutions. **The approved & mapped list along with Resource Centres having the bank details are enclosed for the reference of the Nursing Institutions.**
