# LIBRARY LEARNING RESOURCE

Narayana college of the nursing library is a place where a very good collection of books, journals and magazines on various topics. The library also has an extensive collection of reference sources like Encyclopedia Britannica, Dictionaries, etc. This includes around the academic books 4093, journals 122, magazines 31.

Narayana College of Nursing possess a ILMS software system in the library - Narayana Library Information System – with the fully automation. The year of automation was 2009 with the version 2.0. This makes the library function smoothly and improve the quality of functioning. It helps librarian to maintain the database of new books and the books that are borrowed by members along with their due dates.

Narayana College of Nursing is affiliated with Dr. NTRUHS. College has subscribed with Dr. NTRUHS in the year of 2008 for e-books and e-journals under NTRMEDNET for giving diverse opportunities for learners. We are paying a subscription fee of 25,000 yearly for accessing the e-books & e-journals through Demand Draft. Many of the resources that the library buys are accessible through the library's website. These materials include electronic books, article databases, and electronic journals. This is providing an ample opportunity for the faculties, students and scholars to complete their projects in a smooth manner.

Other than the books, journal, magazines and project works, anatomy models also displayed in the library, that makes the students to enjoy a real-life studying experience.
