IMMUNIZATION POLICY FOR STUDENTS AND FACULTY

POLICY:

The goal of Narayana college of Nursing is to provide safe and prophylactic immunization service against communicable diseases like Hepatitis-B to students and faculties. To achieve this goal. The following policy has been defined.

Narayana college of Nursing offers 1) periodical and on-demand free health checkups for students and faculty 2) individual and group counseling/guidance for health problems, 3) primary clinical care for diseased/injured students and faculty.

Objective:

The policy applies to all first year students and faculties who are at the risk of acquiring Hepatitis-B while performing duties and the purpose is to immunize them from that risk as a welfare measure.

HEPATITIS-B IMMUNIZATION POLICY AND PROCEDURE FOR STUDENTS:

- ❖ Hepatitis-B immunization is mandated for all new admitted students after joining the classes.
- ❖ The dose shall give to student in three times and ensure each dose gap period to be maintained minimum a month and later than arrangement of 01 booster dose.
- ❖ The cost of dose of the vaccine will be borne by the institution

HEPATITIS-B IMMUNIZATION POLICY FOR FACULTY:

- ❖ The faculty/staff, who give no history of previous hepatitis-B immunization , will be offered the immunization for hepatitis-B without being screened for antibodies beforehand, it will be provide free of cost.
- ❖ The copy of the vaccination record to be place in employees personal file by HRD

POST-EXPOSURE PROPHYLAXIS IMMUNIZATION HEPATITIS-B:

Post exposure prophylaxis if exposure because of training or during on duty in the hospital immediate investigation and treatment will be carried out by the institution and expenses will be prepared by institution.

CHICKENPOX IMMUNIZATION POLICY AND PROCEDURE FOR STUDENTS:

- ❖ The chickenpox vaccine (varicella) is given to the students that have never had chickenpox and have never received the chicken pox immunization.
- ❖ Chicken pox vaccination Nexipox 0.5ml shall be given to prevent chicken pox at the time of admission.
- ❖ The students is explained about that the vaccination may leads to some side effects including fever, mild rash, temporary pain and stiffness in the joints so the students are monitored.

COVID-19 VACCINATION POLICY AND PROCEDURE FOR STUDENTS AND FACULTY:

Narayana College of Nursing provides free covid-19 vaccination services to all year batch students, faculty, and staff. The vaccination drive was held with the assistance of the Urban Health Centre in Uco Nagar, Nellore district, with the goal of vaccinating everyone. The vaccination was given to over 200 students and faculty members at the college.
