Vision: Narayana College of Nursing will be an universal leader for innovations, research, education, attitude and practice to create positive changes in the health outcomes of individuals, families, communities in all health care settings.

Mission:

- To empower Nursing professionals with the knowledge and skills to lead with integrity and compassion, thereby creating meaningful impacts on healthcare delivery and patient outcomes
- To optimize health through Nurse-Led healthcare, we integrate education, application, research, and technology to create innovative solutions and prepare nurses for global healthcare challenges, improving health for all.
- To advance a holistic approach to healthcare education, focusing on ethical practices, interdisciplinary collaboration, and innovation to meet the evolving needs of diverse healthcare settings.
