INDUCTION CUM ORIENTATION PROGRAM

REPORT

(11.11.2024 TO 16.11.2024)

The induction program for the new batch of B.Sc. Nursing students at Narayana College commenced on 11th November 2024 (Monday) with a formal Inaugural Ceremony. The event began with the traditional lighting of the lamp, symbolizing the light of knowledge and wisdom. The Principal, Vice-Principal, Heads of Departments (HODs), and Class Coordinators were present to welcome the students and mark the beginning of their professional journey. The Dr. B. Vanaja Kumari, Principal provided an insightful introduction to the Narayana Group of Institutions, elaborating on the college vision and mission. This was followed by a student self-introduction session, fostering a sense of community and camaraderie among peers and faculty members.

On 12th November 2024 (Tuesday), the sessions were centered on the Introduction to the Nursing Profession. The Dr. B. Vanaja Kumari, Principal, along with class and course coordinators, explained the noble nature of nursing, emphasizing its role in healthcare and the responsibilities that come with it. The overview of the B.Sc. Nursing curriculum was also presented, detailing the academic structure, subject distribution, and the expectations from students throughout the four-year program. This session helped students gain clarity and direction regarding their academic journey and future professional roles.

13th November 2024 (Wednesday) focused on building a strong ethical foundation. A session on Ethics, Values, and Professional Conduct was conducted by the Principal and class coordinators. Students were sensitized to the importance of integrity, compassion, and

professionalism in nursing practice. Following this, students were taken for a visit to the college library, where they were introduced to various learning resources, nursing

website: <https://www.narayanannursingcollege.com>

textbooks, journals, and the digital access systems. The session highlighted the importance of independent study and research in nursing education.

On 14th November 2024 (Thursday), the class coordinators oriented students on the rules and regulations of the nursing college. The discussion included academic policies, attendance requirements, uniform codes, and behavioral expectations, ensuring that students are well-informed about institutional norms. Later, students were taken on a campus tour, where they were shown key facilities including classrooms, laboratories, hostels, administrative blocks, and recreation areas. This familiarization helped students feel more comfortable and integrated into the campus environment.

15th November 2024 (Friday) was dedicated to a hospital visit, coordinated by the class coordinators. The purpose of this visit was to provide students with firsthand exposure to the clinical environment where they would eventually apply their skills. Students visited various hospital departments and observed the working dynamics of healthcare professionals. This experience not only motivated them but also gave them a realistic insight into their future responsibilities and the healthcare setting.

On 16th November 2024 (Saturday), the final day of the induction program, the focus was on student welfare and personal development. The Student Mentorship Program was introduced by the Mentorship Coordinator, where students were grouped and assigned to individual mentors. This initiative aims to support students emotionally and academically throughout their course. The session emphasized the role of mentorship in enhancing student well-being and performance. Additionally, a physical assessment and dental check-up was conducted by the class coordinators in collaboration with Dental PG students, ensuring that students begin their academic year in good health.

In conclusion, the five-day induction program was well-structured and comprehensive, successfully orienting students to the academic, ethical, and clinical aspects of nursing education. It created a welcoming atmosphere, provided essential information, and laid a strong foundation for the professional journey of the new entrants at Narayana College of Nursing.

REPORT ON ORIENTATION PROGRAM (05.12.2024)

An Orientation Program for the III Semester B.Sc. Nursing students was successfully conducted on 5th December 2024 at Narayana College of Nursing, Nellore. The session began at 9:00 AM with a welcome address by the Principal, Dr. B. Vanaja Kumari, who emphasized the importance of consistent learning, time management, and the transition from foundational nursing education to more advanced clinical responsibilities. The Vice-Principal and faculty extended their support to help students navigate academic and clinical challenges in the upcoming semester.

The Class Coordinator provided a detailed overview of the III Semester curriculum, including subject distribution, clinical schedules, and internship requirements. Faculty members elaborated on the internal assessment policies and exam patterns, encouraging students to maintain discipline and academic integrity.

HODs and the Examination Coordinator oriented students on evaluation procedures, attendance criteria, and documentation practices. Clinical instructors briefed students on professional behavior in clinical areas, interpersonal communication with patients and healthcare teams, and maintaining confidentiality.

The session concluded with an interactive Q&A, where students clarified doubts regarding clinical duties and academic expectations. The program provided a focused orientation to ensure students are academically and clinically prepared for the demands of the semester. The 4-hour orientation program effectively reinforced academic goals and professional values, paving the way for a productive semester.

REPORT ON ORIENTATION PROGRAM

Date : 05.12.2024

An Orientation Program for the V Semester B.Sc. Nursing students was successfully conducted on 5th December 2024 at Narayana College of Nursing, Nellore. The session commenced at 9:00 AM with a warm welcome address by the Principal, Dr. B. Vanaja Kumari, who highlighted the significance of leadership, time management, and community health responsibilities as students enter a critical phase of their nursing education. The Vice-Principal and faculty members pledged their guidance to help students meet academic and professional challenges in this semester.

The Class Coordinator gave a comprehensive overview of the V Semester curriculum, focusing on theoretical subjects, community health fieldwork, and clinical schedules. Subject teachers discussed content distribution, unit-wise assessments, and expectations from fieldwork. The HODs and Examination Coordinator explained the internal assessment system, attendance and eligibility norms, examination regulations, and documentation protocols. Emphasis was laid on timely submissions and professional record-keeping.

Clinical instructors and Community Health Nursing faculty addressed the importance of ethics, community interactions, and respectful communication with patients and health teams. Students were reminded of the core values of compassion, professionalism, and maintaining confidentiality during field postings. The orientation concluded with an interactive Q&A session where students expressed their queries related to clinical exposure, health surveys, and academic planning. The session proved to be insightful and engaging.

This 4-hour orientation session laid a strong foundation for the semester, ensuring that students are equipped with the right academic direction and professional conduct expected in clinical and community settings.

REPORT ON INDUCTION PROGRAM (11.11.2024 TO 16.11.2024)

The Orientation cum Induction Program for the newly admitted I Year Post Basic B.Sc. Nursing students was conducted successfully at Narayana College of Nursing from 11th to 16th November 2024.

The inaugural session on 11th November commenced with a warm welcome and the ceremonial lighting of the lamp. The Principal, Vice-Principal, and faculty members greeted the students and introduced the institution's vision and mission. Dr. B.Vanaja Kumari, Principal highlighted the importance of integrity, compassion, and professional growth in nursing education.

On 12th November, students were briefed on the structure of the PB B.Sc. Nursing program, including the INC guidelines, course modules, and clinical obligations. HODs provided clarity on academic expectations, internal assessments, and clinical rotations.

The 13th November sessions included a detailed orientation on clinical postings, roles during hospital training, and student responsibilities. A guided tour of the college and hospital familiarized students with the physical environment and departmental functions.

On 14th November, students explored the library and digital academic resources. They were guided on accessing e-journals and reference materials vital for their coursework. A foundational session on research and evidence-based nursing practice was conducted to initiate academic inquiry and critical thinking.

15th November focused on professional values and institutional discipline. Discussions included the ethical responsibilities of nurses, expected code of conduct, attendance norms, and the importance of maintaining decorum in both academic and clinical settings.

The final day, 16th November, included interactions with faculty and peers. The Mentor-Mentee program was introduced to provide continuous guidance and emotional support. This session promoted a sense of community and academic partnership.

The 18-hour orientation program was thoughtfully offer a comprehensive introduction to college life and professional expectations. Students participated actively, and the sessions laid a strong foundation for their nursing journey at Narayana College of Nursing.

REPORT ON INDUCTION CUM ORIENTATION PROGRAM

(10.03.2025 TO 15.03.2025)

The Induction cum Orientation Program for the newly admitted I Year M.Sc. Nursing students of Narayana College of Nursing was successfully conducted from 10th to 15th March 2025.

On 10th March 2025, the program commenced with a formal Inaugural Ceremony, featuring the lighting of the lamp to mark the beginning of the academic journey. The Principal, Vice-Principal, PG Coordinator, and HODs were present to welcome the students. The Principal, Dr. B. Vanaja Kumari, gave a comprehensive introduction to the Narayana Group of Institutions, elaborating on the college's vision and mission, encouraging the students to align themselves with the institution's goals.

On 11th March 2025, the focus shifted to introducing students to the M.Sc. Nursing program structure, INC guidelines, and course expectations. The PG Coordinator, along with subject HOD's explained the curriculum framework, clinical posting schedules, and academic assessment system. This session helped students understand the academic rigor and professional standards of postgraduate nursing education.

The session on 12th March 2025 emphasized the importance of research and evidence-based practice in M.Sc. Nursing. Students were introduced to the research process, thesis requirements, and the role of nursing research in clinical improvement. A visit to the library followed, where students were introduced to physical and digital resources essential for academic and research excellence.

On 13th March 2025, a session on ethics and professional conduct in advanced nursing practice was conducted by the Principal and HOD'S. This was followed by an overview of college rules and policies, including attendance, assignments, examination protocols, and code of conduct to help students align with institutional expectations.

14th March 2025 was dedicated to specialty Subject introduction. The Heads of Departments presented the scope, objectives, and expectations of each specialty, including Medical-Surgical Nursing, Obstetrics & Gynecology, Pediatric Nursing, and Psychiatric Nursing, Community Health Nursing. Students also had an opportunity to interact with faculty and understand the academic and clinical goals of their chosen specialty.

The final day, 15th March 2025, included the Mentorship Program Introduction by the Mentorship Coordinator. Students were introduced to their mentors who will support them throughout their postgraduate journey. A physical and mental health assessment was also conducted to promote student wellness and ensure they are fit for the demands of the program. The 18-hour induction program was comprehensive and thoughtfully organized, providing students with a strong foundation for their postgraduate studies. The sessions were interactive and informative, addressing both academic and personal development aspects. The initiative reinforced Narayana College's commitment to nurturing competent, ethical, and research-oriented nursing professionals.
