MECHANISM

STRATEGIES:

IQAC shall evolve mechanism and procedure for:

- Assuring academic, administrative, and financial activities are completed in an efficient way within given time.
- Academic and research program with relevance and excellence.
- Access to affordable academic program for students.
- Modern teaching and learning methods are being optimized and integrated.
- Ensure that the supportive structure and services are adequate, well-maintained and functional.

FUNCTIONS:

Some of the functions are expected of the IQAC are:

- Developing and implementing quality benchmarks/parameters for the institution's various academic and administrative activities facilitating the creation of a learner centric environment conducive to quality education to adopt the necessary knowledge and technology for participatory teaching and learning.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related process.
- Dissemination of information on various quality parameters of higher education.

B. Anuraj
Principal
NARAYANA COLLEGE OF NURSING
Chinthareddypalem,
NELLORE - 524 003

- Organization of inter and intra institutional workshops, conferences at national and international level on quality related themes and promotion of quality circles.
- Documenting the numerous programs/activities that lead to quality improvement; serving as the institution's nodal agency for coordinating quality-related activities, including the adoption and distribution of best practices.
- MIS- based development and maintenance of institution database for the purpose of maintaining/ improving institutional quality.

RESPONSIBILITIES OF IQAC:

- Ensure a higher level of clarity and focus in institutional operation in order to improve the quality of education.
- Ensure that the quality culture is internalized.
- Ensure that the institution's varied activities are enhanced and coordinated, as well as that all good practices are institutionalized.
- To strengthen institutional functional helps to provide a solid foundation for decision- making.
- Act as a dynamic mechanism for quality changes in institution.
- Create a technique for documentation and internal communication that is well organized
