

6.5.1-Internal quality Assurance System Mechanism

The IQAC of Narayana College of Nursing believes in quality maintenance, sustenance and enhancement as prescribed by the NAAC. It states the objectives every year to bridge the gap, identify the key aspects which need improvement and ensures continuous improvement in all aspects of the College.

ACTIVITIES

1. Holds meetings four times a year
2. Prepare the objectives and action plan of IQAC in the beginning of every academic year.
3. Monitors the Programs planned by the various committees of the institution.
4. Organize workshops/ seminars on quality related themes for the teaching faculty, students and nonteaching staff every year.
5. Conducts regular audits and takes necessary steps to implement the actions based on the audit reports
6. Facilitate the creation of a learner-centric environment conducive to quality education and faculty maturation for participatory teaching and learning process
7. Participates in feedback collection from students, faculty and other stakeholders on quality-related institutional processes
8. Disseminate the information to faculty and students on various quality parameters of higher education
9. Documents various program/activities leading to quality improvement.
10. Compile the documents for Annual Quality Assurance Report(AQAR). and submit to NAAC.

ACADEMIC YEAR 2021-2022

INTERNAL QUALITY ASSURANCE CELL

MECHANISM

STRATEGIES:

IQAC shall evolve mechanism and procedure for:

- Assuring academic, administrative, and financial activities are completed in an efficient way within given time.
- Academic and research program with relevance and excellence.
- Access to affordable academic program for students.
- Modern teaching and learning methods are being optimized and integrated.
- Ensure that the supportive structure and services are adequate, well-maintained and functional.

FUNCTIONS:

Some of the functions are expected of the IQAC are:

- Developing and implementing quality benchmarks/parameters for the institution's various academic and administrative activities facilitating the creation of a learner centric environment conducive to quality education to adopt the necessary knowledge and technology for participatory teaching and learning.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related process.
- Dissemination of information on various quality parameters of higher education.

- Organization of inter and intra institutional workshops, conferences at national and international level on quality related themes and promotion of quality circles.
- Documenting the numerous programs/activities that lead to quality improvement; serving as the institution's nodal agency for coordinating quality-related activities, including the adoption and distribution of best practices.
- MIS- based development and maintenance of institution database for the purpose of maintaining/ improving institutional quality.

RESPONSIBILITIES OF IQAC:

- Ensure a higher level of clarity and focus in institutional operation in order to improve the quality of education.
- Ensure that the quality culture is internalized.
- Ensure that the institution's varied activities are enhanced and coordinated, as well as that all good practices are institutionalized.
- To strengthen institutional functional helps to provide a solid foundation for decision- making.
- Act as a dynamic mechanism for quality changes in institution.
- Create a technique for documentation and internal communication that is well organized

Agenda:

1. Plan for IQAC objectives and action plan for the academic year 2022
2. Research activities

- The objectives and activities planned by various committees and departments were presented with the tentative schedule for the academic year 2022.
- The committee members appreciated the efforts taken for meticulous planning of the action plan and suggested the following points for improvement.

Principal
NARAYANA COLLEGE OF NURSING
Chinthareddypalem,
NELLORE - 524 003

Suggestions.

- ❖ Programs could be planned for faculty and students together so that more beneficiaries can avail the benefits of such programs.
- ❖ More interdepartmental and intercollegiate programs could be planned
- ❖ Observations of health days could be mentioned separately
- ❖ Involve the Alumni in various programs as resource person
- ❖ Administrative and Academic Audit to be planned in the end of the year.
- ❖ Include rain water harvesting paper usage etc in the Green Audit
- ❖ MIS Maintenance, Tracking Payment of fee, Examination system and HR Management etc can consider under e-governance. Including the annual report of the e-governance
- ❖ To plan for more value added and certificate courses.
- ❖ Development and delivery of e-Content/e-Course.
- ❖ Maintain a detailed community extension activities.
- ❖ More programs on learning life skills, communication, problem solving skills and mental health issues could be planned for students.
- ❖ Students must be encouraged to take up action research and should try to apply more funded projects.

Resolution;

All committee members accepted the plan of action. The meeting was concluded at 12.15 pm with vote of thanks by Coordinator.
