6.5.1 Institution has a streamlined Internal Quality Assurance Mechanism

The Internal Quality Assurance Cell (IQAC) of Narayana college of nursing was established on 4th Feb 2020. The IQAC has well established and documented Policy of work and Standard Operating Protocol, with the objective of continuous effective improvement of various areas with satisfaction of all stakeholders. The IQAC of the Institution is constantly working on developing quality and monitoring performance of the constituent institutes and working committees. It also monitors the feedback received from various stakeholders like students, faculty, professionals, alumni, parents, employers and suitable actions against the suggestions and improvement of weaker areas reflected in received feedbacks.

Objectives of IQAC:

- To develop a system for conscious, consistent and catalytic action so as to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
