Prof.A.latha, IQAC coordinator welcomed the members to the meeting.

Agenda:

1. Action Plan for the academic year 2023-24
2. Mrs.latha.A IQAC coordinator welcomed the members to the meeting.
3. The objectives and activities planned by various committees and departments were presented with the tentative schedule for the academic year 20203-24.

The committee members appreciated the efforts taken for meticulous planning of the action plan and suggested the following points for improvement.

Suggestions:

- Programs could be planned for faculty. So that more beneficiaries can avail the benefits of such programs.
- An orientation about the ICMR guidelines could be organized for the entire faculty as it would be benefitting them.
- More interdepartmental and intercollegiate programs could be planned.
- Observations of health days could be mentioned separately.
- Any objectives to initiate any interdisciplinary programs also could be mentioned
- The new guidelines by UGC on good academic practices, research ethics and plagiarism etc must be considered for awareness programs for both students and faculty..
- More programs on learning life skills, communication, problem solving skills and mental health issues could be planned for students.
- Students must be encouraged to take up action research and should try to get more funded projects.

The meeting adjourned at 1 pm.

Prof.A.latha, IQAC coordinator welcomed the members to the meeting.

Agenda:

AQAR 2022-2023 Submission.

1. Prof. Latha.A, IQAC coordinator welcomed the members to the meeting.
2. Prof. Latha. A, presented the AQAR 2022-2023 and the group suggested the following modifications that could be made to the AQAR report.

Suggestions:

- Diploma or certificate courses completed on online/ Swayam/MOOC platform will be considered.
- The collected feedback and a document could be maintained in the file.
- The head of the institutions appreciated faculty and students efforts in organizing health awareness programs/camps and suggested to have more programs both in local as well as national level.
- More value added and add-on programs could be initiated
- Awards and recognitions at national level only is considered,
- All health camps could be clubbed together and society could be added as a beneficiary for the same.
- The members appreciated the efforts taken to improve the number of publications in indexed journals. For criteria all open educational resources and online platforms faculty are using including webinars could be considered under ICT facility.
- Future plans could be enhanced to make it more interesting

Prof.A.latha, IQAC coordinator welcomed the members to the meeting.

Agenda 1:

Feedback on last NAAC cycle AQAR was uploaded. Submission and highlighted the important points as follows:

1. Paper publication in indexed journals need to be improved
2. Deficiency in the number of awards for the faculty
3. Difficulty to track student progression details, alumni engagements etc

Suggestions:

1. Provide publication guidelines to faculty and students regarding Scopus /web of science indexed journals
2. Try for global/national level ranking
3. Careful selection of program title to be matched with the NAAC guidelines
4. Develop some mechanism to collect alumni engagement and student progression details either manually or by software.
5. Support by the institution for conferences/programs and utilization of the same need to be taken seriously

Agenda 2:

Action plan for the academic year 2023-24

Ms Subhashini- Secretary presented the action plan for the academic year 2023-24

There were major activities planned by IQAC by various committees of the institution.

Suggestions:

1. Research climate could be improved by various activities like communicating research thrust areas, funding agencies, capacity building by robust journal clubs, retrospective data review publications, careful selection of subject related indexed journals and awareness programs about IPR.
2. Innovations in teaching and learning, Research could be added in the action plan
3. E-governance: software for teaching learning, modules for practical learning and virtual experiences need to be promoted..
4. Both faculty and students need to be motivated to undergo short term courses.
5. All the HODs were requested to submit their updated semester syllabus
6. All departmental coordinators were requested to update the faculty publication list and give an update this on IQAC cell.

The meeting adjourned at 12 Pm

Prof.A.latha, IQAC coordinator welcomed the members to the meeting.

The chairpersons of each criterion presented the progress of activities conducted so far as per the audit format.

The IQAC members contributed their valuable suggestions for further modifications and improvement Suggestions:

- Members congratulated the IQAC for the improvements happened in various areas.
- Collaborations need to be given more emphasis for research development.
- Long term capacity building (>3 years) could be considered with the help of adjunct faculty.
- Various deficiencies perceived or mentioned in the report must be dealt as priority and necessary actions needed must be taken.
- Alumni network need to be made stronger and they must be involved in more activities such as interaction with students or participation in research activities.
- Publications in indexed journal must be made mandatory for faculty
- Course outcome and program outcome mapping must be done.
- Automation of resources can be considered.
- The university Examination results were presented subject-wise before the committee.
- Principal mentioned that the HODS and faculties are appreciated for the best results in the YSR University.

The meeting adjourned at 12.Pm
