**Dr. P. NARAYANA, M.Sc., Ph.D.,**  
Chairman  
Awarded of Excellence

## *Srama Yeva Jayathe*

Narayana Educational institutions started off as Narayana Coaching center about 2 decades back; now a name i.e. synonymous with excellent in annals of education. Under the dynamic leadership and guidance of Dr. P. Narayana, Chairman, a Gold Medalist at the Degree and P.G. Levels, the Group has started Medical, Dental, Engineering, Nursing, Physiotherapy and Paramedical Institutions.

As a visionary Dr. P. Narayana believes in excellence not only in academic but also in the practice of what the students learns. Chairman is of the strong opinion that however competent the Doctors are, however best the equipment is, unless supported by the qualified, trained and dedicated nursing staff the total patient care is not possible. To make his dreams come true the Narayana Medical Group has started Narayana Nursing Institutions like College of Nursing, School of Nursing and Multipurpose Health Workers (Female) Training Institution at Nellore, in the campus of Narayana Medical College & Hospital.

## INTRODUCTION

Narayana Educational Society (Regd. No. 319/96), Nellore is established by Dr. P. Narayana who is an Indefatigable, untiring academician. The Nursing Institutions viz., Narayana College of Nursing, Sree Narayana Nursing College, Narayana School of Nursing and Narayana Multipurpose Health Workers (F) Training School at Nellore and they are offering excellent education in all levels with the simple philosophy of

**"GIVE THE BEST AND GET BEST IN RETURN"**

**MS. CHERIE C. BINNS RN BS MSCN** Healthcare advocate, USA, visited NNIs and appreciated.

The faculty is by far the most professional and of highest standards of any that I have visited in my last three weeks in India, you could easily compete with any nursing school, medical school or hospital in the USA! Keep up the great work.

## PHILOSOPHY

To prepare the students to assume responsibilities in creative, preventive and promotive levels of health care throughout international level. The education provided here will help the students to be cultivated, creative, self directed, knowledgeable and be encouraged a continuous process of development as a person, professional citizen and an agent of social change.

## OBJECTIVE

*At the end of the programme student is able to*

- ◆ Assess health status, identifying nursing needs, plan, implement and evaluate nursing care of patients / clients that contribute to health of individuals, families and community.
- ◆ Render Nursing care in Hospitals, Health Centers, Rural and Urban Community health agencies, Railways, Military Services, Industries, Nursing Institutions, Educational Institutions and National and International Organizations.
- ◆ Demonstrate cognitive, affective and psychomotor competency in the skills and techniques of nursing based on concepts and principles from selected areas of physical, biological and behavioral sciences to provide primary health care scientifically and independently.
- ◆ Apply Nursing process in meeting the needs of individuals, families and the community through the concept of holistic nursing.
- ◆ Participate as members of health team in the promotive, preventive and restorative care delivery system of the country.
