REPORT ON DASARA CELEBRATION 25.10.2022-05.11.2022

Dussehra is a big festival of the Hindus. The festival marks the victory of goodness over the evil. In a way, the festival is symbolic and carries a big message. On this day, as the legend says, Dussehra, which is also called Vijayadashmi, is the culmination of the nine-day Navaratri celebrations. Dussehra celebrates Lord Ram's victory over Ravan in a festival spread over ten days. Lord Rama had killed Ravan and liberated his wife *Sita* from his captivity. The festival comes twenty days ahead of Diwali.

On this day people wear new clothes. The sole reason for celebrating this festival is to cast light on the importance of triumph of good over evil and light over darkness. As per the historical beliefs and most famous Hindu scripture, the Ramayana, it has been mentioned that Lord Rama had performed a chandi-puja (holy prayer to get blessings of the Goddess Durga Mata to kill the powerful demon, Ravana. Ravana was ten-headed demon king of the Sri Lanka who had kidnapped the wife of Lord Rama, Seeta to take revenge of his sister, Surpanakha. From then, the day Lord Rama killed Ravana was started celebrating as the Dussehra festival.

SNA Unit - Narayana college of Nursing had organized Dasara from 25.10.22 to 05.11.22 for 10 days. The Program was organised by all B.Sc(N) students. The pooja was performed at 6.30Am every day. the students were participated and did pooja with devotion. the faculty also were attended pooja every day.

Whole college was decorated with flowers and rangoli. Every day different themes were brought through by the students. The goddess Durga was dressed every day with different theme based on the importance of the day like Goddess Saraswathi devi, Gayatri devi, Lalitha devi etc.

After the pooja prasadam was distributed, such as pulihora, kesari, vada, Boore, panchamrutham, payasam, curd rice, Bhellampongali, senagallu to all faculty of teaching and non-teaching staff and students.

On the 10th day lunch was arranged for all the faculty, student and non-teaching staff prepared by the students, a cultural program was organized in the evening of 10th day. Students came dressed in ethnic clothes and watched some videos related to Dussehra. The students were also made aware of the importance of celebrating Navratri. Students performed many cultural dances. Teachers also shared some valuable information about the festival thus enhancing their learning. Every one enjoyed the function very much. This festival was celebrated with enormous zeal and enthusiasm.
