India became independent of the United Kingdom on August 15, 1947. India did not have a permanent constitution at this time. The drafting committee presented the constitution's first draft to the national assembly on November 4, 1947. The national assembly signed the final English and Hindi language versions of the constitution on January 24, 1950.

India's constitution came into effect on Republic Day, January 26, 1950. This date was chosen as it was the anniversary of Purna Swaraj Day, which was held on January 26, 1930. The constitution gave India's citizens the power to govern themselves by choosing their own government. Dr Rajendra Prasad took oath as India's first president at the Durbar Hall in the Government House, followed by a residential drive along a route to the Irwin Stadium, where he unfurled India's national flag. Ever since the historic day, January 26 is celebrated with festivities and patriotic fervor across India.

Everyone was feeling very happy that day because it was a matter of great pride for all of us because on 26th January 1950 the constitution of India came into force and our country, India became a republic.

The program started with prayer at 10:00AM. The chief guest of the program was Dr. Subramanyam, Medical Director, Narayana Medical College Hospital, Nellore, gave enlightening speech regarding republic day. Dr. INDIRA.A. Narayana College of Nursing celebrated International Nurses day on 12th May 2016. The celebration of International Nurses Day started in 1965 by the International Council of Nurses (ICN). This day is the birth anniversary of the famous Florence Nightingale. She was an English nurse, social reformer, and statistician. During the Crimean war, she gained fame while serving as a manager and trainer of nurses, being the pillar of modern nursing. She brought a reputation for nursing and became an icon in Victorian culture. The aim of the Nurses Day Celebration was to raise awareness of the important role that nurses play in society and at the same time, to increase their confidence and give them a big appreciation. Nursing can promote gender equality in social and economic development. Reports show investment in nursing can have a triple impact of better health, greater gender equality and stronger economies. With approximately 50% of nurses being younger than 35 years of age, this workforce will energize nursing in the country. International Nurses Day is celebrated every year on 12th of May, the birth anniversary of Florence Nightingale. The shortage puts a strain on the current workforce as nurses are caring for patients at every hour, every minute of the day. Nurses truly are frontline heroes. Often times nurses are parents themselves, leaving their loved ones at home to save lives. We must all acknowledge the great sacrifice they do for the health of all. Thank you for saving lives and keeping our loved ones safe.

The Nurses Day Celebration started around 9Am on 12th May. The theme of this year is "Nurses: A Force for Change: Improving health systems' Resilience" signifies that the nurses play an important role to strengthen the flexibility of our medical system. The resilience of a healthcare system lies in its capacity to respond, adapt and strengthen in any critical situations. Nursing is considered as one among the largest healthcare professions in the world. Nurses are well trained, educated and experienced for taking care of the patient through all aspects like physical, psychological and social life. An invitation letter was

It is one of the most important religious festivals of the India. which falls in the month of September-October every year, is the celebration of Dussehra. On this day people wear new clothes, visit several fairs and enjoy a street-food and random shopping spree. All this enjoyment ignites the light of good in people's hearts to overcome whatever corrupt or unholy existed. The sole reason for celebrating this festival is to cast light on the importance of triumph of good over evil and light over darkness. In the end, she appealed everyone to plant a tree on this festival than to burn the effigy of Ravana to prevent mother nature from being spoiled. As Per the historical beliefs and most famous Hindu scripture, the Ramayana, it has been mentioned that Lord Rama had performed a chandi-puja (holy prayer to get blessings of the Goddess Durga Mata to kill the powerful demon, Ravana. Ravana was ten-headed demon king of the Sri Lanka who had kidnapped the wife of Lord Rama, Seeta to take revenge of his sister, Surpanakha. From then, the day Lord Rama killed Ravana was started celebrating as the Dussehra festival.

Panchamrutham, payasam, curd rice, Bhellampongal, senagallu to all faculty of teaching and non-teaching staff and students. Students came dressed in ethnic clothes and watched some informative videos on Dussehra. The students were also made aware of Navratri and that some communities celebrate it as Durga Puja. The students seemed to be excited as they made an effigy of Ravana. Now they had their own Ravan ready to be burnt and they didn't have to celebrate the festival as they did every year. Teachers also shared some valuable information about the festival thus enhancing their learning. Every one enjoyed the function very much. This festival is celebrated with enormous zeal and enthusiasm throughout the country.
