The programme was attended by all eminent faculties from Narayana college of Nursing, Narayana Physiotherapy College and Narayana Medical College Chinthareddypalem, Nellore. At 2;00 to 2;45pm Dr Rajeswari.H, Head of the Department of Psychiatric Nursing has spoke regarding the importance of writing manuscript for Pub med Indexed Journal she stressed that the publication of scientific work has become mandatory for scientists or specialists holding academic affiliations, and it is now desirable even at an undergraduate level. Despite a plethora of forums for presenting the original research work, very little of it ever gets published in a scientific journal, and even if it does, the manuscripts are usually from the same few institution.
