IIC – president greeted and welcomed all the IIC members. He thanked all the members for their cooperation and requested to conduct the activities for this academic year also. He informed the IIC members about the Ideathon (idea solutions for medical problems) which we are going to conduct on this first quarter. He explained that it will be a national level competition and requested each college within the campus to send the problem statements. So that it can be scrutinized and circulated to get the best solutions from brilliant minds across the nation. In his talk, he emphasized the importance of Innovation, Invention and Entrepreneurship for the advancement of health care and national development.

**23/12/21:**

Mr. Shehebazuddin Shaik shared the hurdles faced during his childhood and the way he overcame all of it. The importance of money and the ways to attain were started rooting from his childhood onwards. As he was growing his thoughts matured and resulted in becoming an entrepreneur with good moral values. He is a self-learned IT professional; he nicely amalgamated his pharmacy knowledge and IT skills and started a firm – 14impressions, a writing firm started on 14th October 2020
